

## TRAIL RIDE TO BENEFIT

### The Deanna McHarris Memorial Breast Cancer Fund

SATURDAY, June 12, 2021

Guided rides at 9:00, 9:30 and 10:00 or Ride on your own

After the morning ride, participants will return to the staging area for lunch, provided by BHA and Friends. A dish to pass is always welcome.

Anyone who wishes may ride again in the afternoon.

The Deanna Memorial Breast Cancer Fund was established in Deanna's memory and is administered thru the Upstate Hospital in Syracuse. Money raised goes directly to paying for breast cancer screening and treatment for those unable to afford the cost.

We all know someone touched by this disease. Let's do what we can to help. In the past 9 years we have raised over \$25,000. Let's continue the effort.

Pledge forms will be available at the Secretary's & Food stands, or call Betty at 315-725-0767 for your pledge form. Obtain pledges from friends & family and come and enjoy the day with us while helping out some very special ladies.
